

## INFORMATION

Moonraker Island Civic Organization Inc <MICOI@outlook.com>

Thu 12/9/2021 12:47 PM

Residents,

There are a few issues to address:

1. Please be sure to cast your ballot this Saturday if you haven't already. Whether you are for or against the casino, you have that right and you should take advantage of it.
2. Next month our residents' meeting will be held on January 26, 2022, the last Wednesday in January. Please mark your calendar. If anyone would like to run for office, please let us know. It is time for others to take the helm of this organization to make it grow. Membership renewal will take place as well. We should have much more information on the lake and grounds situation to share with you during January's meeting.
3. Santa will be handing out toys to children this coming Saturday at the fire station at 1:00 P.M.
4. If anyone wants to donate items for the event, we need cookies, candy, drink boxes, water, ice, etc. Please contact Naomie Hess at 985-643-7020 for more info or to bring donations to her house at 114.
5. Please call the parish at 985-898-2792 to complain about the condition of our street.
6. If you'd like to help with our membership drive, please call me at 985-646-0690

Bonnie
