

Feb. 27, 2021 update

The message today is a mixed bag, Notification from our councilman, Jake Airey, indicates that the amount of money being set aside for our drainage problem has been raised from \$15000.00 to \$75000.00. The idea is to repave our street and fix the drainage woes at the same time. I believe we should be hearing something soon on that matter.

I will be ordering the fill for the triangle (median) next week. This is another expensive project, so please send in your membership dues if you haven't done so already. If anyone wants to help with this project, please let us know. We need a small bobcat to push the dirt where the ruts are. Some help removing the dead plants would be of service as well.

It's important that you should know a plan to establish an RV park, where Michael's Restaurant is located on Hwy. 11, will go before the council this coming Tuesday, March 2, 2021, at 2:00 P.M. The plan has many variances. I haven't seen signs or advertisements for it around our neighborhood. My suggestion if you can't attend the meeting is to contact our councilman, Jake Airey, at <[jaairey@stpgov.org](mailto:jaairey@stpgov.org)> to express your approval or disapproval. Audio Bridge Conference carries the meeting. You can call in at 985-276-6398, if busy, 346-248-7799 or 669-900-6833. Meeting ID945-6104-2779 Participant ID: Passcode: 6523195 BOA Case No. 2120-2244-BOA. I'm sure if you call the parish at 985-898-2792, you will be able to see the proposal.

The additional lights for Moonraker are still in progress. The problem is that the exact location still has not been determined.

Everything takes a really, really long time. The pursuit continues.

Don't forget the issue of the casino which would bring in quite a bit of money to our community and the effort toward flood protection. Please have an open mind. If you would like to attend a meeting with the developers, please let us know.

Thanks to Sgt. Casnave, our street is open. He reminds us to invest in "RING" so he can reach the entire neighborhood immediately.

Thanks to all who have sent in your membership dues.
