3. There you will find past/future dockets

Today 3:00 P.M. Pres. Cooper will hold a special meeting on Koop Dr., Council Chambers concerning the Risk Rating 2.0 insurance information

Tonight 6:00 P.M. Levee Board Meeting at the Slidell City Auditorium

June 29 last Wed. in June, 7:00 P.M. Residents' meeting, Yacht Club

Letters will be sent out this week from MICO in two separate groups: those residents who paid dues last year, but have not paid this year and those who have never joined our residents' organization.

I'd like to talk to you concerning the street replacement and the Magnolia Water Co., but informing you would be too lengthy for an email. That discussion will take place at the meeting on the 29th.

Should you want to be placed on the agenda to speak, please let MICO know.
