

## SHORT-TERM RENTAL HEARING THIS WEEK!

Neighbors, the hearing on STR's will be this Wednesday, June 8, at 9:00 A.M. at the Towers Bldg., 5th. floor on Old Spanish Trail. We ask those in attendance to wear red as a show of solidarity. I know we have been through this previously, but those who are continuing to go against the established zoning ordinance fight to have it changed. I hope to see you there.

DON'T FORGET TO MARK YOUR CALENDAR FOR THE RESIDENT'S MEETING THE LAST WEDNESDAY IN JUNE, THE 29TH. THE MEETING WILL BE HELD AT THE YACHT CLUB ABOVE THE MARINA CAFE, 7:00 P.M. There is an abundance of information important to our community.

The garden at the entrance will be restored this week. It has been made known to me that joggers and walkers have been using the water there. Not knowing how the water is set up, it was turned off causing plants to die.

We are still battling Magnolia Water Company. The open-ended contract our public service commissioner, Eric Skrmetta, has allowed is the reason Magnolia has charged these outrageous rates. Please address Eric Skrmetta concerning your water bill, which will continue to increase.

It is officially hurricane season again. Please address any loose branches or anything else on your property that might cause damage. Take a look at the nearest drain to you. Clean out the trash or branches that have accumulated that is sure to lessen drainage and increase flooding. I know you will say, "Why should I do that? I pay taxes. The parish should do that." YOU ARE RIGHT, but you know, as well as I, that getting the parish to do what it should takes forever. Special Needs Shelter - (985) 898-3074

Our community needs our residents' concern and help to get things done. When the parish reps hear the same complaints or suggestions over and over from the same person or persons, I do believe a deaf ear is turned. Our street is in deplorable condition. Call the parish and COMPLAIN. (985) 898-2792.

Membership, a word that means people belong to a group who share similar ideas or strive for a similar cause. We are all bound to this community. Please help with projects or serve by working on the board. If you haven't paid your dues, please do so. If you have some ideas that you think could be useful, please forward them. Attend the meeting on the 29th.
