

Moonraker Island Civic Organization Inc

Sun 5/29/2022 4:06 PM

Tomorrow is a big day that opens the summer season for boating, swimming, and other water sports. There will be many visitors to enjoy what Moonraker has to offer. Please be careful. Remember, "Safety first!" Please place crab traps along your docks, not in the middle of canals. Tie boats adequately attached to your docks or in the boat lifts.

MICO will have a residents' meeting the last Wednesday in June, the 29th. Topics for the agenda will be provided. Everyone is invited to attend. There will be a prize offered at that meeting.

We are still waiting for those residents who have not sent in their dues (\$50) for 2022 to do so. We are waiting for the man who will weed, trim, and replace dead plants in our triangle to come to provide that service.

No one sent in graduates' names for the poster this year. We will provide a generic congratulatory sign.

Thank you for all the well wishes provided to me. Not using the wheelchair or walker anymore, I am just starting to walk around with my cane. Being out of commission for the last six months has been difficult, but our board members have carried my job and I am very grateful.

Have a really nice holiday and take care.

Bonnie
