

## Moonraker Island Civic Organization Inc.

**Tue, 11/29/2022**

I offer my resignation as President of Moonraker Island Civic Organization on December 31, 2022. The reasons are many, but primarily the apathy of those who don't support MICOI causes great difficulty to be a successful organization regardless of its many accomplishments.

Perhaps someone else can take over and develop the enthusiasm necessary to complete the obligatory tasks such as repaving our street and placing sidewalks .

I can tell you from experience over these past years that staying in touch with the parish is the only way to make things happen. I offer my help to anyone willing to take the job. I wish great success to that person who **MUST BE A MEMBER IN GOOD STANDING (DUES PAID)** to take the job.

A meeting will be held on Wednesday, December 14, '22, 7:00 at my home (114) to discuss what should be done with the organization.

Any resident or member is invited to the meeting.

Sincerely,

Bonnie Peyroux, president
