

# Christmas Boat Parade & Promenade

at the  
New Orleans West End Harbor Marinas

**Saturday, Dec. 15, 2007 at 7:00 PM**  
Hosted by the Orleans Marina Tenants Association

**Participants and Spectators Alike Are Welcome**

Decorate your boat and join the parade! Just fall in behind Southern Yacht Club's lead boat *Patrol II* as we meander through the West End Harbor areas.\* Help us celebrate the rebuilding of the New Orleans waterfront!

Enjoy the spectacle from your own vessel in your own slip or simply stroll along the piers to view the many decorated boats.

All boaters are welcome regardless of the size of the craft or means of propulsion. We encourage you to decorate your boat and join in the Christmas Spirit.

After the parade be sure to join us at the West End Marinas (*Orleans Marina* and the *New Orleans Municipal Yacht Harbor*) to view the decorated boats and to participate in the merriment at our slips.

To Register as a parade vessel in this free event or to get updated information on event schedules, parade routes or spectator viewing venues contact the Orleans Marina Tenants Association at:

***VHF marine channel 68 will be the coordination channel during the parade.***

*\*Boat Captains, crew and spectators are solely responsible for any and all risks associated with their participation in this event and are fully in charge of their respective level of participation in this event.*

*No parade activities (other than viewing) will be conducted at Landry's (formerly Joe's Crab Shack) this year due to their new pier configuration. As we continue to recover from The Storm we will not offer Prize Ditty Bags as in previous years. Prizes (to be announced) will be awarded and Judging will be conducted by mobile judges roaming the West End Harbor area. Winning registered entrants will be contacted by cell phone. (See [cell phone details](#) on your registration form.)*
