**We will be starting inspections on Monday, 5/23/2011. The 6320 side of the property will be inspected first. We will need access to your unit, so please make sure the office has a set of your keys on file if you are not going to be home. If you have a smoke detector that needs batteries or do not have one at all, please let us know. We will also be spraying for roaches with an eco-friendly spray that is not harmful to people or pets.**
